WELCOME TO SWEDEN AND LANTMÄTERIET – OPENING OF MEETING

SUSANNE ÅS SIVBORG – DIRECTOR GENERAL AND CHIEF EXECUTIVE - LANTMÄTERIET
(THE SWEDISH MAPPING, CADASTRAL AND LAND REGISTRATION AUTHORITY)

SOME WORDS ABOUT SWEDEN AND GÄVLE

SWEDEN

Inhabitants: 10,5 million

Area: 447 425 km²

Counties: 21

Municipalities: 290

Highest mountain: Kebnekaise 2097 meters

Biggest lake: Vänern

GÄVLE

City privileges from 1446 - oldest city in Norrland

The iron, the forest, the fishing and the location favored the place that came to be called Gävle.
In the area, waterways that connected sea and land met.

The oldest surviving document where Gävle is mentioned, was signed on January 14, 1432
The content is about the ownership of a property in Valbo parish, Gävle.

LANTMÄTERIET
THE SWEDISH MAPPING, CADASTRAL AND LAND
REGISTRATION AUTHORITY

FACTS IN BRIEF

- We have about 2,200 employees in 50 locations
- Our head office is in Gävle
- We have been mapping Sweden since 1628
- We completed 15,000 cadastral procedures during the year 2022
- Lantmäteriet contributes to Swedish economy with 1.2 billion Euro in stamp duty and around 22 million Euro in service fees

Lantmäteriet has been mapping Sweden since 1628.
