

The background of the slide is an aerial photograph of a lake. The lake is a deep, dark blue color. It is surrounded by a dense forest of trees. The trees have a mix of green, yellow, and orange foliage, suggesting an autumn setting. The forest is particularly dense on the left and bottom edges of the lake. On the right side, there is a white geometric overlay consisting of several triangles of varying sizes, some of which are filled with a dark blue color, while others are white. This overlay appears to be a map or a technical drawing superimposed on the natural landscape.

EuroGeographics General Assembly 2025

**Sallie Payne Snell
Secretary General & Executive Director**
