

Management Board Report to 2025 General Assembly

Pier-Giorgio Zaccheddu
EuroGeographics Management Board Member

Proud to represent The European National Mapping, Cadastral and Land Registration Authorities

Enabling access
to members' data
and expertise

Representing
members'
interests

Providing opportunities
for knowledge
exchange

Underpinned by Open Maps For Europe 2 (OME2)

Foundation for future
pan-European high-
value datasets

Production process and
prototype for harmonised
large-scale data

Aligned to EU Policy
objectives and UN
core geospatial data
recommendations

Celebrating Success

High-value large-scale
pan European prototype

Enabling access to members' data and expertise

Connecting users
to official national
geospatial information

Facilitating access to
high-value geospatial
datasets

Providing
expertise in data
production

eurostat

European Environment Agency

In Situ

United
Nations

Second Administrative Level Boundaries

Integration into European and Global infrastructures

Thank you for contributing to our datasets, data production system & Open Maps For Europe

Thank you for contributing to Open Maps For Europe 2 (OME2)

Foundation for future
pan-European
high-value datasets

Production process and
prototype for harmonised
large-scale data

Aligned to EU Policy
objectives and UN
core geospatial data
recommendations

EuroGeographics; National Geographic Institute, Belgium;
National Institute of Geographic & Forest Information, France;
Hellenic Cadastre; General Directorate for the Cadastre, Spain; and
Cadastre, Land Registry & Mapping Agency, The Netherlands

OME2

Co-funded by
the European Union

Representing members' interests

Demonstrating value of trusted geospatial services from official national sources

Establishing partnerships to support the public good

Promoting integration of authoritative data within the European and International systems

Welcome to Have your say Public Consultations and Feedback

Citizens and businesses can share their views on new EU policies and existing laws.
