Day 2

State Land Service
Republic of Latvia

PCC
Permanent Committee
on Cadastre in the
European Union

A wide-angle, high-angle aerial photograph of the Riga city skyline. The foreground shows the Riga Central Market (Rīgas Centrāltirgus) with its characteristic arched roof. In the middle ground, the Daugava River flows through the city, with several bridges visible. The background features the Old Town (Vecpilsēta) with its historic buildings and the spires of St. Peter's and St. Paul's cathedrals. The sky is filled with scattered white and grey clouds. A large, semi-transparent black rectangular box is overlaid on the left side of the image, containing the text "Thank You!".

Thank You!
