The background of the slide is an aerial photograph of a city roundabout. The roundabout has a central green area with several small trees and a winding path. The surrounding urban area includes various buildings, roads, and parking lots. On the right side of the image, there is a white wireframe overlay that appears to be a 3D model or a digital grid superimposed on the city scene.

EuroGeographics General Assembly 2020 Welcome & Introduction

General Assembly Sarajevo

- Planned for 16-18 May 2021;
- Looking forward to visiting this vibrant city and having our General Assembly there;
- Our priority remains the health and safety of our staff and members;
- Contingency planning is continuing, and in consultation with our friends at FGA we must consider alternative arrangements in case it is not possible.

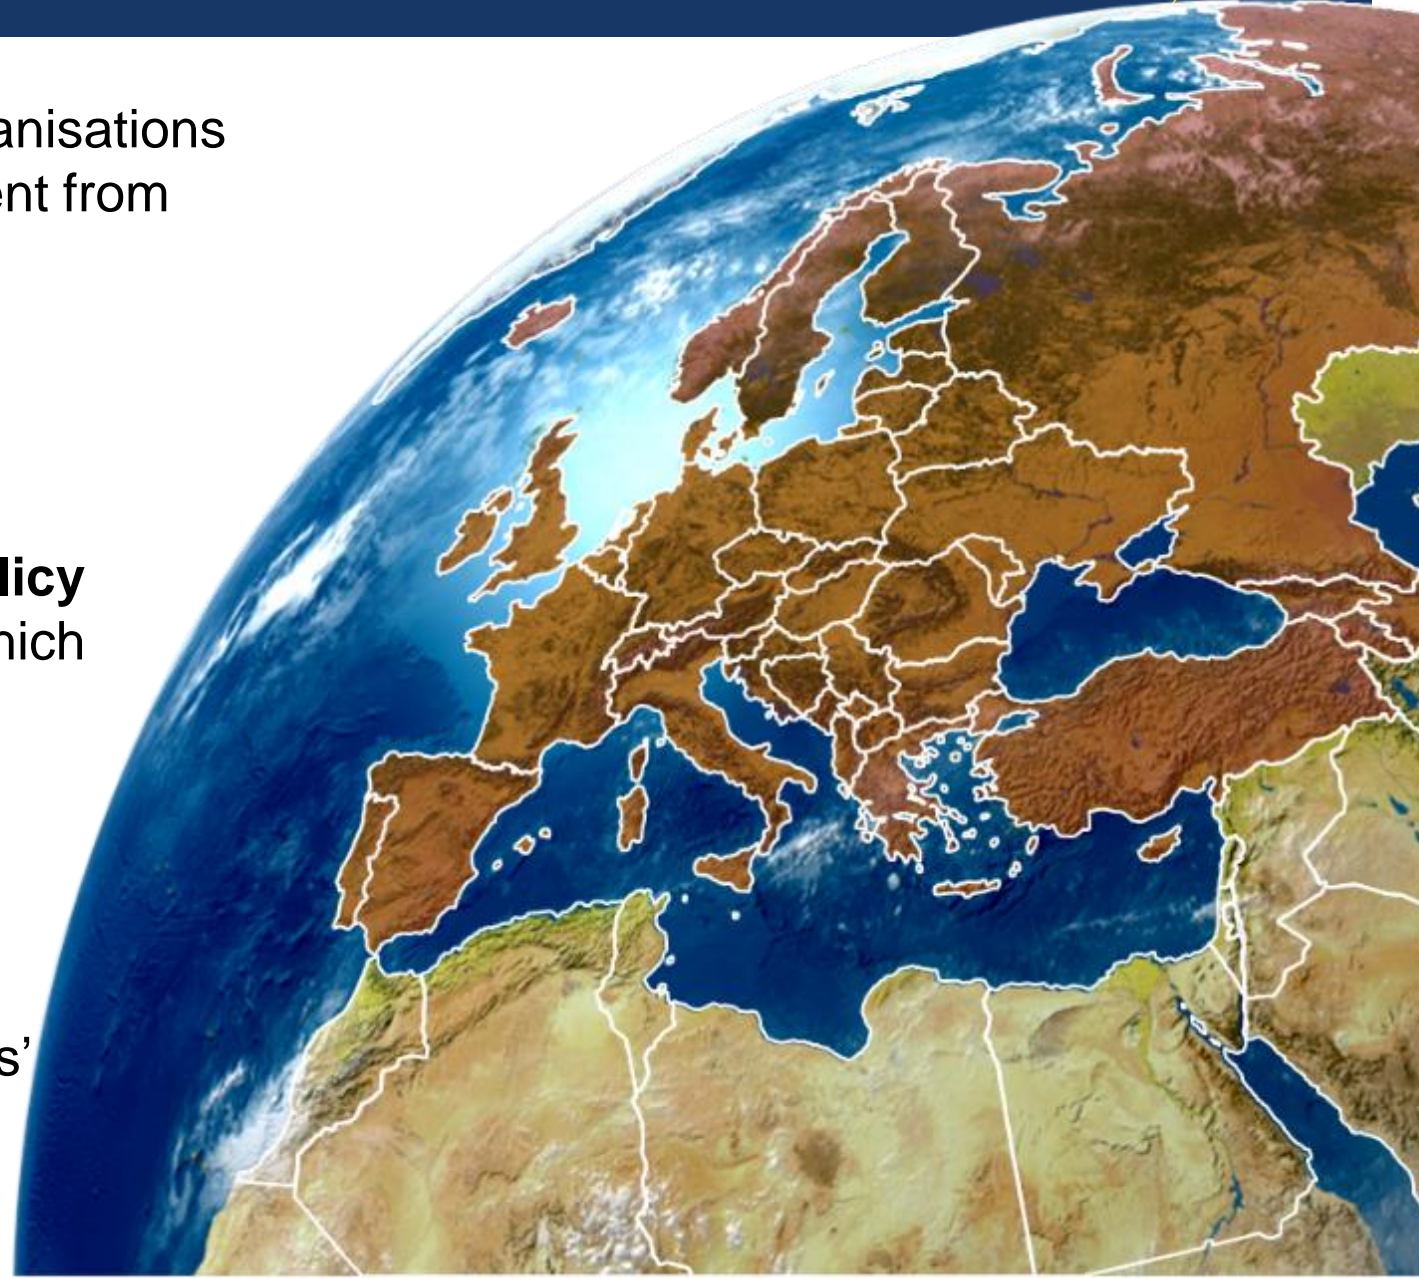

Welcome to our new Heads

- Greece Hellenic Military Geographical Service - Colonel Kimon Kalenteridis
- Italian Geographic Military Institute -Major General Pietro TORNABENE
- Latvia State Land Service Latvia - Ms. Vita Narnicka
- Slovakia Geodesy, Cartography and Cadastre Authority – Mr. Jan Mrva
