

An aerial photograph of a dark blue lake surrounded by a dense forest with trees in various shades of green, yellow, and orange, indicating autumn. The forest is divided into several irregular polygonal sections by white lines, suggesting a land management or surveying context.

Management Board Report

**Colin Bray
President, EuroGeographics**

Proud to be: The voice of European National Mapping, Cadastral & Land Registry Authorities

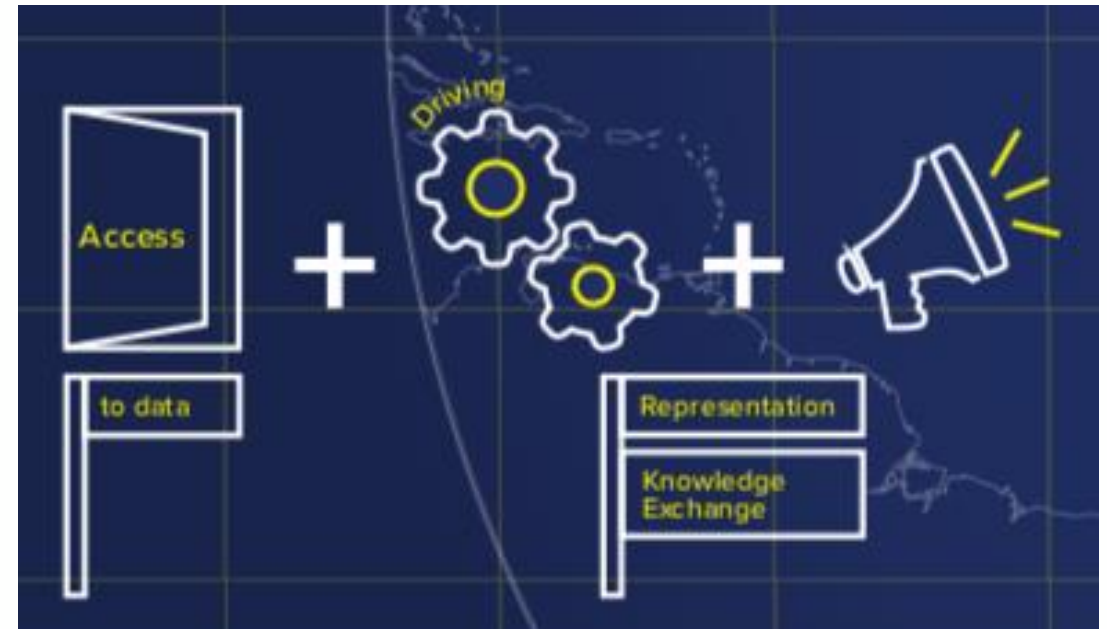

Membership

- Covers the whole of geographical Europe
- At least one national authority in each country
- 90% of eligible organisations

Delivering value to you

- Facilitating access to your data & demonstrating its importance
- Representing your interests
- Maintaining a knowledge exchange network to support you in improving your capabilities & role

Facilitating access to your data

Pan-European datasets

- Unique production system
- EuroGlobalMap, EuroRegionalMap & EuroBoundaryMap updated

Signposting users to your data

Your Management Board

A strategy to meet the challenges of change

In response to the mandate you gave the Management Board in Manchester, we have:

- Redeveloped the 2020-2023 strategy to incorporate:
 - The evolution of our product-oriented approach to promoting data access & integration
 - The need to work in partnership to achieve the wider public interest
 - A sustainable budget to maintain a viable organisation

A sound financial base for the future

To meet the challenge of reducing our costs whilst continuing membership activities, we have:

- Comprehensively reviewed our budget and applied cost reduction measures to our operational activities to ensure:
 - Your direct membership benefits of Knowledge Exchange and Representation are covered by membership subscriptions
 - Our data activities for the next few years are sustained by our reserves (predicted to be €700,000) and the CEF bid
 - A sound foundation upon which to build a sustainable long-term funding strategy for this pillar of activity

Your Head Office

Your new Secretary General & Executive Director

Léa Bodossian started 1 October
Takes on formal role 22 October

Passion for geography, political sciences & European affairs

High-level representation, communication & management skills

Extensive experience in influencing & participating in EU Institutions

Welcome!

Your Association!
