

EuroGeographics General Assembly

Valletta (Malta)

19 – 21 March 2023

Raymond Attard

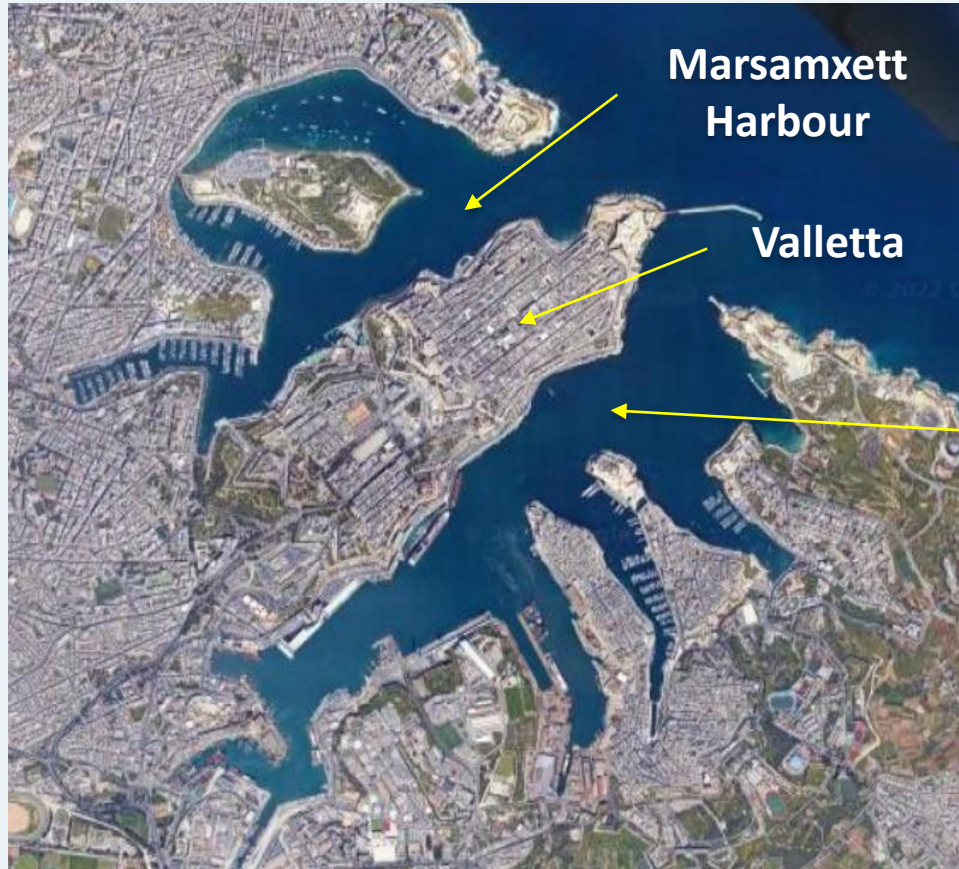

The Planning Authority

- The Planning Authority (PA) was set up in 1992
- The Environment and Planning Authorities were merged to form Malta Environment and Planning Authority (MEPA) in 2002
- In 2013, Government decision to demerge MEPA – took 3 years to finalize
- PA was again newly set up under a new Act (Act VII 2016)

The Planning Authority

- The Authority is responsible for spatial planning for the Maltese urban, rural and coastal areas.
- The Authority is committed to ensure that land use meets the needs of present and future societies.
- The Authority is the National Mapping Agency for Malta.
