

The background of the slide is a high-angle aerial photograph of a forested shoreline. The trees are a mix of green and yellow, indicating autumn. A dark, possibly black or very dark blue, body of water is visible. The image is framed by a dark blue border at the top and bottom. In the center-left, there is a solid black rectangular box containing the text.

20th March 2019

Eurostat Contract

- Eurostat have contracted to license EBM on an annual basis for a four year contract
- They have decided not to take ERM; various reasons for this
- This does not affect our production of ERM, we have other customers who require the product
- As the Production Management Team have explained we will continue with production for 2019 as planned
- The PMT will discuss 2020 production in our June meeting, as we now do not have to include Eurostat specific requests within ERM

Save the date! 24th – 25th September 2019

- Our event is being hosted by our member The Surveying and Mapping Authority of the Republic of Slovenia
- We will meet in Ljubljana at the [City Hotel Ljubljana](#)
- Start with lunch on Tuesday, September 24 @ 12:00 pm
- Finish after lunch on Wednesday September 25
- The final Agenda will come in the coming months:
 - Update on products,
 - Technical developments,
 - EuroGeographics activities.
 - Break out sessions for the regional groups.
