

## Named Group Editor

Peter Hallahan  
Operations Manager – Spatial Databases

## Named Group Editor

- The Reason
- The solution
- Demo

Ordnance  
Survey  
*Ireland*

## The Reason

- **Two types of named groups**
  - Ways
  - Water
- **Difficulty in managing these objects in the offline editor environment**
- **In general, no geometry edits required**
- **Reduce conflict**

Ordnance  
Survey  
*Ireland*

## The Solution

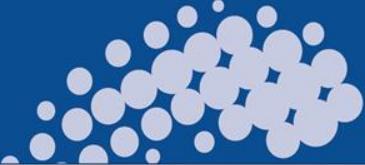

- **Web Based**
- **On-line Editing**
  - Add/Remove segments
  - Add/Edit English Name
  - Add/Edit Irish Name
  - Add Validation Authorities
- **Application of Named Group Validation Rules**
- **Edits are immediately visible.**

Ordnance  
Survey  
*Ireland*

# Demonstration

- **Demonstration will cover the following:**
  - Brief run through the application
  - Search function
  - **Changing the function of a way segment**
  - **Adding a segment to an existing named way**
  - **Removing a segment from an existing named way**
  - **Create a named way**
  - **Delete a named way**
  - **Adding/Changing the English Name**
  - **Adding/Changing the Irish Name**

## Thank You
