# Break-out session Group A

Ben Bruns / KadasterNL
15th September 2016
Technical Meeting of the EG Data Producers

Participants

- RC Group A: Ben Bruns, Tony Baving, Marieke Kuijer
- BE/LU: Florence Couvreur
- CY: Marios Themistokleous
- GB: Graham Cole, Stephen Alphey, Frank Brimson
- MD: Constantin Nagorneac, Ion Cretu
- RO: Adina Moise
- UA: Andrii Cherin

Tools

- ## Which tools are used?
  - Mainly used: Topology rules (BE/CY/LU/MD)
  - Also: C# (GB/BE/LU)
  - Not often used: DataReviewer, Tools Noemie
  - National tools: (UA: PostGIS tools / BE-LU: FME)

- ## Tool issues
  - Admin rights
  - Licences
  - Dependant on ArcGIS version
  - Not usable for QGIS
 - Some tools don't run / or don't work properly

Production workflow

- New deadline Trans theme: 30th of September (data ready for assembly)
- Next year: more emphasis on deadlines (delivery/validation/corrections)
  - Difficulty: dependancy on source data, political issues

- Edge Matching:
  - Isn't done by all NMCA's

Data (quality) issues

- GB: CoastL
  - Hopefully ready next year
  - Thank you for all the hard work you putting in to this!
- UA: start of national ERM production process
- EBM ≠ ERM-BND: (GB,MD,RO)

Communications

- Knowledge Exchange (automatic generalisation/tools/process/remote desktop connection?)

- Data Exchange
  - At the moment: e-mail / WeTransfer / Dropbox
  - New method: BKG FTP server -> upload en download data (test)

- E-mail addresses
  - Some additional colleagues in 'cc'
