

Business Interoperability KEN

Ashley Wright

The Value of Knowledge Exchange Networks

Extraordinary General Assembly
May 2016

KEN Objectives

- To share knowledge and best practices in areas relating to licensing, commercial and non commercial business models
- To be a sounding board for questions and requests from all members, carrying out studies and questionnaires where necessary
- To provide informative updates on new developments and technology and issues impacting business and operating models

Part of the Bigger EuroGeographics Picture

- *Where does the BiKEN fit?*
 1. European Location Framework project
 2. Knowledge and Data sharing...
 3. Co-ordinating pricing and licensing activities

Adding Strategic Value to Member NMCA's

Value of Participation

- Why is it important to actively participate in the KEN?
- What will you gain by participating in the KEN?
- What will you miss out on by not participating?
