The background of the slide is a composite image. The left side shows a close-up of a textured, brownish-grey surface, possibly a rock face or a wall. The right side features a colorful, abstract pattern with geometric shapes in shades of blue, yellow, and orange, overlaid on a darker, textured background. A semi-transparent dark grey rectangle is positioned on the left side, containing the title text.

Knowledge Buzz

Knowledge Buzz

- You have listened to a number of interesting and I hope thought provoking presentations this morning
- The Knowledge Buzz this afternoon is an interactive session
- It allows you to engage on these topics and discuss what it means for you nationally, within in you organization.....
- And what EuroGeographics can do to support you.

So just a few quick logistics before we get going....

Knowledge Buzz

- Please check the number on your badge and make sure you are sitting on the table with the right number!
- Now you are in the right place you will not have to move – the facilitators and scribes will do the hard work of moving tables.
- There will be 3 iterations
- You will discuss 3 out of the 6 knowledge buzz topics which are:
 - SDGs
 - Open data directive
 - Disruptive Innovation
 - Innovative Cadastre
 - Business Transformation
 - Copernicus

Knowledge Buzz

- Each discussion will be 30 mins
- For each topic you will address the following questions:

What impact does this have on your organisation?

What are you doing nationally?

How are you working with others?

How can EuroGeographics support or help you nationally?
